>>>IMPORTANT: This just may be the single FASTEST way to get a woman to see you as a ROCK STAR in the bedroom... so pay close attention!

Today I'd like to share a secret with you that is going to get you **MORE sex and BETTER SEX... for both you and your girl!**

It involves something 99% of the men on the planet don't know about women:

The LONGER you take to get a woman's clothes off... and the LONGER you wait to go down on her... and the LONGER you wait to have sex with her... the MORE likely she is to have an orgasm!

Let me explain:

We've all heard the phrase:

"women are like an oven, they need to be warmed up"

... but what most guys don't know is WHY and HOW.

THE "WHY":

Guess what fellas... your most powerful weapon in the bedroom is not your johnson... but the force of ANTICIPATION!

Girls LOVE to be teased... WAAAAY more than men! And the longer you take to do EVERYTHING...

the HOTTER and MORE TURNED ON your girl is gonna get!

THE "HOW":

Here is a step-by-step guide to undressing your girl in way that builds INCREDIBLE ANTICIPATION that will [drive her absolutely CRAZY!](#) (in the best way possible =))

By following these simple steps, you'll have her so turned on by the time she is naked that she will be BEGGING to have you inside of her!

(Warning: Some steps may sound basic, but I've thrown in some fun tricks to SPICE UP the simple stuff... so make sure you read this guide all the way through!)

Here we go:

- 1.) As you are kissing her, rub your hands firmly up and down her back. Once you've been kissing for several minutes, work your fingers under the bottom of her shirt, and circle back to her stomach (still kissing, but alternating between her lips, neck, and ear lobes.)
- 2.) Gently scratch her back as you are kissing her, and softly but firmly slide your hand up under hair at the nape of her neck and give a nice squeeze =)
- 3.) Lift up her shirt and take it off in the smoothest way possible, being careful not to pull her hair!
- 4.) Now that her shirt is off, slowly progress your kissing downward towards her breasts, kissing the upper area, and still rubbing her lower body with your hands.

>>>BONUS TIP!

Gently but firmly, pin her arms above her head and hold them there with one hand while you caress her body with your other, still kissing all over. **Girls LOVE this!**

5.) As you are kissing her neck, reach behind and unhook her bra. If you get stuck, don't worry! Just smile at her and say, "assistance please" and she'll unhook it for you.

6.) **DO NOT GO STRAIGHT FOR THE BOOBS!** Go back to kissing her on the lips and neck! (In fact, until you are fully going down on her, you should always return to her mouth every so often to kiss her passionately). Then, taking your time, make your way down to her breasts, but **DO NOT GO FOR HER NIPPLES!** Kiss them in slow circles, **leaving the nipples for LAST!**

7.) When you get to her nipples, lick them gently, alternating between the 2. When your mouth isn't on one, your finger should be on the other (lick it for lubrication =))

>>>BONUS TIP!

Some girls LOVE to have their nipple pinched! I would say at least 50% of all women! Start gently of course, and increase the pressure and watch her reaction. If she seems to be getting turned on, squeeze a little harder and ask if she likes it. She'll let you know =)

8.) Move down to her stomach, and use the same slow, anticipation-building style. Try to kiss every inch of it! Slip your tongue under her waistband to tease her once in a while, and "accidentally" graze your chin over her "area", breathing heavily

9.) Kiss her on the mouth again while you go to take off her pants. But NOT her panties! **It's time for the fun part =)**

>>>BONUS TIP:

Take her right leg, and starting at her foot, kiss EVERY INCH OF IT, working your way down in slow circles! This should take A WHILE... and **she will be LOVING EVERY SECOND OF IT!**

Then, when you get to the "good spot", breathe heavily OVER her panties, letting her feel the heat!

Then go back to her left leg (start in the middle this time) and do it all over again! By the time you get back down to her "area"..... **she'll be begging you to rip her panties off and give her more!**

10.) **Give her what she wants =)**

So there you have it! This entire process should take around 30 minutes... and will get her more turned on than she's EVER been before!

Building anticipation like this paves the way for her to have INTENSE orgasms... and lots of them at that.
